Cleaner for dry cleaning - having high detergency and dissolving power, contg. unsatd. chloro:fluoro:hydrocarbon(s)
C90-136209

A new cleaner for dry cleaning contains 3C unsatd. chlorofluorohydrocarbons, pref. one or a mixt. of
1-chloro-2-fluoropropene, 2,3-dichloro-3,3-difluoropropene,
1,1-dichloro-3,3,3-trifluoropropene,
1,2-dichloro-3,3,3-trifluoropropene,
1,3-dichloro-1,3,3-trifluoropropene,
1,3-dichloro-2,3,3-trifluoropropene,
3,3-dichloro-1,1,3-trifluoropropene, and
3,3-dichloro-2,3-difluoropropene. The cleaner opt. contains at least
one of hydrocarbons, alcohols, ketones, halogenated hydrocarbons,
and surfactants.

USE/ADVANTAGE - The cleaner has high detergency and
dissolving power comparable with that of conventional R113, without
impairing plastics and metals (e.g., buttons and ornaments). (4pp
